Be Alert of a Potential Predatory Journal

We have just been made aware of an online journal by the name of "Hong Kong Journal of Paediatrics Research", which bears close resemblance to our Journal. The publisher entity is not identified in its website and its editorial board members are not members of the paediatric medical community in Hong Kong.

The Hong Kong Journal of Paediatrics is the only official publication of Hong Kong College of Paediatricians and The Hong Kong Paediatric Society and has no relationship whatsoever with the said journal.

We reserve the right to take whatever legal action necessary.
